Introducing Andy Deutmeyer!

Hello,

My name is Andy Deutmeyer. I am the founder of Blend Business Dining. My career began as a dishwasher at the age of 13, I have been working in kitchens and studying food ever since. My career has included about every position the food service has to offer. From cook to executive chef to restaurateur, I have had the good fortune to see and do a lot in my profession. I am husband of 13 years to my wonderful wife, Michelle, and father to 2 great kids, Anna (9), and Coen (6). When not in the kitchen at UICCU or catering, I enjoy time with family and friends. I also enjoy endurance sports such as marathon running and triathlons including 2 Ironman triathlon finishes. You might also find me cruising the Coralville lake on our pontoon in the summer or on the slopes snowboarding in the winter.

I would like to thank everyone at UICCU for granting Blend Business Dining the privilege of serving this great organization. It has truly been a pleasure getting to meet and interact with so many of the staff here at UICCU. I assure you we will continue develop and evolve to better serve your needs and always work to find ways to become a better version of who we are.
