

Employee Need – Kylee Shoemaker

Recently, one of Kylee's cats became seriously ill.

What they thought would be a routine vet visit turned into an extended recovery process. He was diagnosed with severe pancreatitis, inflammation of the GI tract and liver, and a dangerous infection. He required a two-night stay at Blue Pearl Emergency

Vet Hospital and now needs nine different medications daily for the next two weeks, along with follow-up appointments. Kylee has used much of their savings to cover his care, making it difficult to keep up with bills and buy groceries. Any support, whether prayers, donations, or Aldi gift cards, would be greatly appreciated.
