

## Employee Need – Liliana Tula

Around the time of Liliana’s first day at GreenState in March, her vehicle was vandalized and unable to run. In order to get to work, she took an uber each day for around 4 months, which is around \$20 a trip, just to get to work. She also would need to take an uber for any other event outside of work, such as going to stores. Liliana is asking for \$5000 to help her purchase a new vehicle.

*Additionally, if you know of anyone who is selling their vehicle, or you have a vehicle you are looking to sell, please let us know, and we will forward the information to Liliana.*
