WHY CHOOSE US?

Our Learning Center and Preschools are designed to help children develop their physical, emotional, social, intellectual, and creative skills through structured activities involving science, math, literacy, art, and technology.

We also believe every child deserves access to early childhood education. We strive to work with families who need financial assistance through our scholarship program.

93%

Sparking the Learning
93% of our kids are developmentally on track for kindergarten.

Providing Access for All Children
30% of our children are on a scholarship to help pay for an early childhood education.

Security That Matters
Our centers have secured entrances and do monthly emergency drills.

SCHOOL AGE KIDS PROGRAM

Full-Time: \$115/week

Part-Time: \$94/week

Rate includes regular before and after school programming and all scheduled early dismissals and no school days. It also includes care for all weather-related late starts, early dismissals, and no school days as long as KidsPoint Child Care is open.

School Age Program is only available at our KidsPoint C Street location for the College Community School District.

WHAT OUR FAMILIES ARE SAYING

“The love and care our daughter receives are evident through her development and excitement she has to be at school every day. The clean and safe environment provided helps us know she is in good hands every day.”

“The developmental curriculum has been essential to Everett, Edward, and Eli's everyday speech and milestones. If you are looking for a place to call home for your loved ones, KidsPoint is the place to start with!”

“KidsPoint has been welcoming since day one and we've developed a strong bond with the teachers and administrators. We love that KidsPoint has become a home away from home for our girls.”
